MAP DATES

This FIRM index displays the map date for each FIRM panel as well as the date that the index was printed. Because the index may not be distributed to unaffected communities in subsequent editions, users may determine the current map date for each FIRM panel by visiting the FEMA Map Service Center (MSC) website at www.fema.gov or by calling the FEMA Map Information eSOM or FIMCO at 1-877-252-2527.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM index. These may be obtained directly from the Map Service Center at the number listed above.

NOTE TO USER

Future revisions to this FIRM index will only be issued to communities that are located on FIRM panels being revised. The FIRM index therefore remains valid for FIRM panels dated February 18, 2011, or earlier. Please refer to the MOST RECENT FIRM PANEL DATE column in the LISTING OF COMMUNITIES table to determine the most recent FIRM index date for each community.
